

A bank compliance team in Amman cut off my climate data pitch halfway through, asking only one question.

Sustainability teams write the narrative. They do not sign the purchase order.

**Compliance teams own the quota.
Missing it triggers a regulatory penalty,
not a bad headline.**

Local banks buy climate data because the cost of non-compliance is priced and dated. Goodwill is not.

Even the advisory work linking this data to Korean investors is pushed by a regulatory deadline, not an impact thesis.

**Stop reading ESG pitch decks.
