CROSS-BORDER NOTES

A bank compliance team in Amman cut me off halfway through my climate data pitch. They didn't want the impact story.

Sun Choi

They asked one question: would this get them closer to their green lending quota before the deadline?

Swipe →

Sun Choi

The buyer in the room is never the sustainability team. Sustainability teams write the narrative. They don't sign the purchase order.

Sun Choi

Compliance teams own the quota. Missing it triggers a regulatory penalty, not a bad headline.

Swipe →

Sun Choi

Local banks buy climate data because the cost of non-compliance is priced and dated. Goodwill is not.
