

**A bank compliance team
in Amman cut off my
climate data pitch
halfway through.**

**They only wanted to know one thing:
would this get them closer to their green
lending quota before the deadline.**

Across Jordan, Saudi Arabia, and Cambodia, the real buyer in the room is never the sustainability team.

**Sustainability teams write the narrative.
Compliance teams own the quota and the
regulatory penalty for missing it.**

Local banks buy climate data because the cost of non-compliance is priced and dated. Goodwill is not.

Stop reading ESG pitch decks. Read the mandate: find out who gets penalized, and by when.
