CROSS-BORDER NOTES

On August 7, a Uzbek bank went on state television and announced it is converting to Islamic finance.

Gulf capital does not land where it is invited. It lands where the plumbing already exists.

Swipe →

Sun Choi

No sukuk desk, no murabaha structuring, no Islamic window: no serious GCC allocation.

Swipe →

Sun Choi

Regulatory intent precedes capital. If Tashkent normalizes Islamic finance at the bank level, sovereign issuance tends to follow.
