

A bank compliance team cut off a climate data pitch to ask one thing: does this meet the green lending quota before the deadline.

Sustainability teams write the narrative. They do not sign the purchase order.

**Compliance teams own the quota.
Missing it triggers a regulatory penalty,
not a bad headline.**

Local banks buy climate data because the cost of non-compliance is priced and dated. Goodwill is not.

Even the advisory work linking data pipelines to Korean investors is pushed by a regulatory deadline, not pulled by an impact thesis.
