CROSS-BORDER NOTES

A bank compliance team in Amman cut off my climate data pitch halfway through.

Swipe →

Sun Choi

They did not want the impact story. They wanted to know if this would get them closer to their green lending quota before the deadline.

The buyer in the room is never the sustainability team. Sustainability writes the narrative. It does not sign the purchase order.

Sun Choi

Compliance teams own the quota. Missing it triggers a regulatory penalty, not a bad headline.

Swipe →

Sun Choi

Local banks buy climate data because the cost of non-compliance is priced and dated. Goodwill is not.
