

**A bank compliance team
cut off a climate data
pitch to ask one
question.**

They did not want the impact story. They wanted the green lending quota answer, before the deadline.

Sustainability teams write the narrative. They do not sign the purchase order.

**Compliance teams own the quota.
Missing it triggers a regulatory penalty,
not a bad headline.**

Even Korean investor advisory work gets pushed by a regulatory deadline, not pulled by an impact thesis.

**Stop reading ESG pitch
decks. Read the mandate.
Find out who gets penalized,
and by when.**
