

**A bank compliance team
in Amman cut off my
climate data pitch
halfway through.**

They did not want impact stories. They wanted to know if this hits their green lending quota before the deadline.

**Sustainability teams write the narrative.
Compliance teams own the quota and
sign the purchase order.**

Across Jordan, Saudi Arabia, and Cambodia, banks buy climate data because non-compliance cost is priced and dated. Goodwill is not.

Even advisory work linking data pipelines to Korean investors is pushed by a regulatory deadline, not pulled by an impact thesis.
